This one belongs to Gasoline Alley. Purchased from a guy in rural Victoria. A patina style restoration of this old ute. The top coat is the same red that was on our '35 ute. A splash of flattener base gives correct gloss level. Some left over springtime yellow was applied to the steel dash to give a good contrast. Flames and graphics by Mick complete the look. A warmed over 351 Cleveland built to run unleaded with 11" clutch stock 4 speed box and 3.5:1 9" should perform well. The interior is tucked marine vinyl, burgundy with eggshell piping by Matt. We decided to install air conditioning in this vehicle. This together with brand new green tint glass and a cool stereo should make parts chasing a breeze.
