1972 Ford Falcon 500 Utility 11 years ago

[Home](#) » [Classic Car Restorations](#) » [Falcon XY utility](#)

This vehicle comes from western Queensland. Originally a 6 cylinder, three speed manual. It is be rust free but has some substandard body repairs. We are repowering this one with a 351 4V cleve engine. It will have a 4 speed top loader gearbox as well as a 3.5:1 nine inch rear axle with tru tra centre. Drilled disc brakes on all four wheels and period wheels should look great. Colour might b orange. Interior will be black with bucket/bench seat. Body modifications include a fully welded tai and fabricated roll pan to delete spare tyre carrier. An early Mustang fuel tank will be fitted in the traditional sedan area just 'cause we can. Maybe even a 1967 GT Mustang hood skin graft on the bonnet to make things interesting.....
