The last of the Australian Ford coupes, this XC is fully loaded. Sunroof, power windows, cloth interior, factory four speed and power steering. We have given this car a mechanical refurbish. The twin clutch was ditched in favour of a Bronco 11" unit. A fresh 3.5:1 9" rear axle will ensure good traction. The engine was removed and a new camshaft, lifters and timing set fitted as well as a thorough detail and repainting. A very clean body with virtually no rust, this classic vehicle will look awesome when repainted. Simon allowed us to lower the vehicle 50mm allowing us to achieve the right look with the big tyres.
