OPEN DAY SUNDAY 10TH APRIL 2011

By John Ambrosi, 17 March 2011

It's on again. Our annual open day is set to fire again on SUNDAY 10TH APRIL. Lots of nice cars on display, some cool tunes from Dave and the band, jumping castle for the kids and plenty of food and drinks set the scene for a nice relaxing day. The local vintage car club will have some of their finest iron on display. We'll have some of these cars on one of our hoists at various times throughout the day. A good opportunity to see how these beauties were put together. We are expecting a few Cadillacs as part of the roll up as well as all the usual suspects. A great opportunity to cruise in and check out some of our services and products on offer. Staff will be on hand to discuss your current or next resto project or import vehicle compliancing. Kicking off at 9am, all welcome with or without a classic car, see you there.....
